PROCESSING OF PERSONAL DATA - REGISTRATION FORM FOR SPINUOC CALLS FOR APPLICATIONS

The Fundació per la Universitat Oberta de Catalunya (FUOC), with registered address at Rambla del Poblenou 154-156, Barcelona, will process your personal data for the management, organization and processing of your registration for this call for applications; to view and reproduce, as part of the activity, the participant's voice and image captured in audiovisual recordings as part of the documentation provided; to capture, process and disseminate the participant's voice and image during the award ceremony for the activity; to publish the full names of the award winners on the e-Noticeboard of the UOC's E-Services Portal, on the awards website and through the UOC's own media channels and corporate social media profiles, in order to disseminate, promote and communicate the activity and publicize the winning projects; and to evaluate and monitor the activity through satisfaction surveys relating to the activity, as well as to analyse the impact of the programme.

In addition, if you give your consent, we will process your data to provide you with information about Hubbik's activities and services and to send you information about future calls for applications or entrepreneurship initiatives.

Personal data may be disclosed to the following recipients where necessary to assess the projects and select the winners: jury members (for further details, please refer to the terms and conditions of the call for applications and/or award in which you are participating); mentors; collaborating organizations; sponsors; public authorities; and service providers engaged by the UOC. Any disclosure will be limited to the data strictly necessary.

You may exercise your data protection rights by writing to the address indicated above or by sending an email to fuoc_pd@uoc.edu. You may also lodge a complaint with the Catalan Data Protection Authority (APDCAT).

For further information and details about the processing of your data, you can consult the "Data Protection" section of the terms and conditions of the call for applications and/or award in which you are participating:
