Strategic Conflict Management

The specialization program in Strategic Conflict Management is a unique opportunity designed to enhance conflict management and peace processes from a strategic perspective.

Built on the combined expertise of the Universitat Oberta de Catalunya (UOC) and the United Nations Institute for Training and Research (UNITAR), the specialization program in Strategic Conflict Management aims to equip participants with a broad analytical skill set, first-hand knowledge and unique expertise from the field of conflict with a strategic management approach.

The specialization program in Strategic Conflict Management reviews academic and best practices skills coming from the gender studies and its relations to conflict, peace & security fields. Students will gain access to a broad community of world wide spread alumni. Becoming part of this community will be a valuable lifetime asset.

This program belongs to the Master of Conflict, Peace and Security carried out in collaborations with UNITAR.

Objectives and competences

- To understand crisis management theory, its different approaches.
- To acquire conflict analysis skills.
- To increase participants ability to manage strategic interventions.
- To develop efficient intervention programs and to manage the quest for positive specific solutions.
