# Conflict, Peace and Gender

The specialization program in Conflict, Peace and Gender is a unique opportunity designed to enhance conflict understanding and peace processes from a gender issues perspective.

Built on the combined expertise of the Universitat Oberta de Catalunya (UOC) and the United Nations Institute for Training and Research (UNITAR), the specialization program in Conflict, Peace and Gender aims to equip participants with a broad analytical skill set, first-hand knowledge and unique expertise from the field of conflict with a gender approach.

The specialization program in Conflict, Peace and Gender reviews academic and best practices skills coming from the gender studies and its relations to conflict, peace & security fields. Students will gain access to a broad community of world wide spread alumni. Becoming part of this community will be a valuable lifetime asset. The Specialization in Conflict, Peace and Gender is designed reviews best practice cases and provide analytical skills to understand and analyze conflicts with a gender approach.

**This program belongs to the Master of Conflict, Peace and Security carried out in collaborations with UNITAR.**

## Objectives and competences

- To know the theory, its different approaches and the nature of contemporary conflicts.
- To acquire skills of analysis and the ability to plan actions for peaceful interventions, both for the prevention and transformation of conflicts by intervening during their development.
- To access information and knowledge to be able to develop efficient intervention programs and manage the quest for positive specific solutions.
- To transform the way to communicate both to prevent and to end conflicts.
