Human Security and Peace Operations

The specialization program in Human Security and Peace Operations is a unique opportunity designed to enhance conflict understanding and peace processes from a human security perspective as well as the role that peace operations play in conflict resolution. This specialization intends to offer the student the proper angle of study to develop a conflict and peace knowledge considering the human security angle.

Built on the combined expertise of the Universitat Oberta de Catalunya (UOC) and the United Nations Institute for Training and Research (UNITAR), the specialization program in Human Security and Peace Operations aims to equip participants with a broad analytical skill set, first-hand knowledge and unique expertise from the field of conflict with a human security approach.

The Specialization program in Human Security and Peace Operations reviews academic and best practices skills coming from the studies on human security and peace operations. Students will gain access to a broad community of world wide spread alumni. Becoming part of this community will be a valuable lifetime asset.

This program belongs to the Master of Conflict, Peace and Security carried out in collaborations with UNITAR.

Objectives and competences

- To understand crisis management theories and their different approaches.
- To acquire conflict analysis skills.
- To increase participants ability to manage strategic interventions.
- To develop efficient intervention programs and to manage the quest for positive specific solutions.
- To create communicative campaigns aimed, to transform, prevent and to end conflicts.

Aimed to

- Any person with responsibilities and interests in solving conflicts.
- Consultants, executives, leaders, lawyers of any industry.
- Civil servants and managers of private and public organizations.
