

Online course: Accessible design

UOC - VASS Foundation Chair in Digital Transformation without Barriers: Employability and Inclusion

22 September 2025 to 31 October 2025

Duration: 6 weeks **Total hours of synchronous online sessions:** 15 h | **Language:** Spanish

Objectives: On this course, you'll learn how to make websites and applications accessible to everyone, regardless of their abilities. You'll find out what digital accessibility is, learn to identify the barriers that make using websites difficult, and discover how to design accessible sites using technical tools and best practices.

Content:

Module 1. Accessibility and disability: user profiles, responsibility and the importance of graphic design in accessible content.

- Synchronous online teaching - dates pending
 - Session 1 - Friday, September 26, from 5:00 PM to 6:30 PM
 - Session 2 - Monday, September 29, from 5:00 PM to 6:30 PM
- Case study - 3 h
- Teaching presentation - dates pending

Module 2. Composition of graphic elements, structure and semantics: the foundations of an accessible document

- Synchronous online teaching - dates pending
 - Session 1 - Monday, October 6, from 5:00 PM to 6:30 PM
 - Session 2 - Friday, October 10, from 5:00 PM to 6:30 PM
- Case study - 3 h
- Teaching presentation - dates pending

Module 3. Accessibility of still and moving images and accessible data displays.

- Synchronous online teaching - dates pending
 - Sesión 1 - Viernes 17/10 De 17:00 a 18:30
 - Sesión 2 - Lunes 20/10 De 17:00 a 18:30
- Case study - 3 h
- Teaching presentation - dates pending

Cross-disciplinary module. AI for accessible design

- Teaching presentation - dates pending

Teachers: Bruno Splendiani (UOC teaching staff) and José Samuel Berigüete (Vass University expert)

Number of places: 20

If the number of applications exceeds the number of places offered, places will be awarded based on the motivation letter submitted by the applicant.

Admission requirements: Documentary evidence of:

- recognition of a disability equal to or greater than 33% by submitting any of the documents required by current regulations.
- personal motivation letter.

The deadline for submitting applications, along with the required documentation, is September 17, 2025.

Price: This course is free.

Qualification: Upon completion of the course, applicants will receive a certificate of achievement issued by the UOC in collaboration with the VASS Foundation.
