

# Online course: Content manager

---

UOC - VASS Foundation Chair in Digital Transformation without Barriers: Employability and Inclusion

---

*13 October 2025 to 14 November 2025*

**Duration:** 5 weeks | **Total hours of synchronous online sessions:** 15 h | **Language:** Spanish

**Objectives:** This course provides a practical introduction to using content management systems, focusing on WordPress as the primary tool. During the course, you'll explore everything from getting started with the platform to basic customization using themes, menus and widgets. The course also includes an introduction to HTML and CSS to understand the basics of web design.
