

**RESPONSIBLE RESEARCH
AND INNOVATION:
HOW TO MAXIMISE THE LOCAL
IMPACT OF MY RESEARCH?**

The Art of Science Learning

PROGRAMME NEXT SESSIONS

SESSION 3: Philosophy and ethics of science

Thursday 19th January

16:00-17:30 theoretical part

17:30-19:00 practical part

*Delivered by University of
Bristol (UK)*

Philosophy of Science:

Can we define the scientific method? What makes good science? The problem of public trust in science.

Ethics in scientific research and communication:

What is responsibility? Who are we responsible to?

Funding, methods, outputs and risks.

SESSION 4: Towards practice (I)

Thursday 26th January

16:00 – 19:00 theoretical
session

*Delivered by Atelier des Jours à
Venir (France)*

Communication skills for researchers:

What is responsible communication? Setting it within the history of science communication.

How to make my PhD understandable?

SESSION 5: Towards practice (II)

Friday 27th January

16:00 – 19:00 practical session

*Delivered by Atelier des Jours à
Venir (France)*

Practising responsible science communication:

How can I plan, initiate and scale up activities that communicate about the social dimension, norms and values of my research?

Reflections on the PERFORM project and next steps.

All sessions will take place at UAB's theatre, in the Plaça Cívica
